DIRECTORS' REVIEW

The Directors of Worldcall Telecom Limited ("WTL" or the "Company") are pleased to present financial statements for the quarter ended September 30, 2007.

Financial Overview

During the period under review the Company earned profit after tax of Rs. 143.3 million as compared to Rs. 160.2 million which included a one-off gain on re-measurement of long term liabilities of Rs 79.8 million in the corresponding period last year. Gross profit showed significant growth due to increase in revenue by 8% and decrease in direct cost by 20%. Operating cost is almost at the same level due to management's continuing endeavors for best utilization of resources. Cash flow from operations has increased by 167% showing healthy improvement. EPS for the quarter under review is Rs. 0.19 as compared to the Rs. 0.21 for the corresponding quarter of the previous year.

Future Outlook

Telecom operations in Pakistan have become a main focal point for international investors, given the anticipated growth in the sector is phenomenal, especially for operators focusing on the data side employing Edge, HFC, EVDO and WiMAX technologies. The recent acquisitions of the DNOP (Data Network Operators) illustrate the potential in this segment.

The Company is working aggressively towards the goals set for the year such as arrangement of financing to fund the expansion plans to meet targets. A term sheet in this regard amounting to Rs. 3 billion has been signed with Habib Bank Limited (HBL) for the issuance of Term Finance Certificates (TFCs).

Board of Directors of Oman Telecommunications Company (Omantel) has approved and offered to acquire majority shares in WTL along with management control from existing sponsors. A meeting of Board of Directors of the Company is to be held on 05 November 2007 to discuss the

Worldcall Telecom Limited

matters arising pursuant to the Omantel offer. The proposed sale is subject to legal, corporate and regulatory approvals, where required.

Acknowledgement

Our Company wishes to record its appreciation of the dedicated services of its employees and continued patronage of its customers, shareholders, financial partners and other stakeholders.

On behalf of the Board of Directors

NOTES TO THE CONDENSED FINANCIAL STATEMENTS (UN-AUDITED) FOR THE QUARTER ENDED 30 SEPTEMBER 2007

1 Legal status and nature of business

Worldcall Telecom Limited ("the Company") is a public limited company incorporated in Pakistan on 15 March 2001 under the Companies Ordinance, 1984 and its shares are quoted on the Karachi and Lahore Stock Exchanges. The Company commenced its operations on 01 December 2004 and is engaged in providing Wireless Local Loop ("WLL") and Long Distance & International ("LDI") services in Pakistan, operation and maintenance of public payphones network and re-broadcasting international/national satellite/terrestrial wireless and cable television and radio signals as well as interactive communication and to establish, maintain and operate the licensed telephony services. The Company has been licensed by Pakistan Telecommunication Authority ("PTA") and Pakistan Electronic Media Regulatory Authority ("PEMRA") for these purposes. The registered office of the Company is situated at 103 C-II, Gulberg III, Lahore.

2 Accounting convention and basis of preparation

These condensed interim financial statements have been presented in accordance with the requirements of the "International Accounting Standard 34 - Interim Financial Reporting" as applicable in Pakistan and are unaudited. These condensed interim financial statements do not include all of the information required for full annual financial statements, and should be read in conjunction with the financial statements of the Company for the year ended 30 June 2007. Further, these accounts are being circulated to the shareholders in accordance with the requirements of Section 245 of the Companies Ordinance, 1984.

3. Significant accounting judgements and estimate

The preparation of condensed interim financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions and judgments are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 30 June 2007.

4 Accounting policies

Accounting polices adopted for preparation of these condensed interim financial statements are the same as those applied in the preparation of the annual financial statements of the Company for the year ended 30 June 2007.

6 Contingencies and commitments

Contingencies

5.

There were no significant changes in the status of contingencies as at balance sheet date from the disclosures made in the financial statements as at 30 June 2007 except for the following:

- 6.1 PTCL has charged the Company excess Domestic Private Lease Circuits (DPLC) and International Private Lease Circuits (IPLC) charges amounting to Rs. 37.23 million (2007: Rs. 20.2 million) on account of difference in rates. Further the Company has also deposited Rs. 40 million (2007 : Rs. 40 million) in Escrow account on account of dispute of charging of bandwidth charges from the date of activation of Digital Interface Units (DIU) for commercial operation and in proportion to activation of DIUs related to each DPLC link and excess charging in respect of Karachi-Rawalpindi link which was never activated.
- 6.2 Last year, the sales tax authorities served show cause notices to various payphone companies, including the Company on account of alleged wrong claim of refund of Rs.

167 million under section 66 of the Sales Tax Act 1990. Subsequent to the balance sheet date at June 30, 2007, Additional Collector (Adjudication) Sales Tax Lahore has given a decision against the Company and imposed a penalty on the Company and Chief Executive, equivalent to the amount of original alleged claim. During the period, the Company has filed appeal before Collector Sales Tax (Appeals) and Complaint has been filed in Federal Tax Ombudsman against the imposition of penalty. In addition to the above the Chief Executive has filed separate writ petition in Honorable Lahore High Court against the imposition of penalty on him. The management believes based upon the factual and legal grounds that matter will be decided in favour of the Company at a higher judicial forum.

NOTES TO THE CONDENSED GROUP'S FINANCIAL STATEMENTS (UN-AUDITED) FOR THE QUARTER ENDED 30 SEPTEMBER 2007

1 Legal status and nature of business

1.1 The Group consists of:

WorldCall Telecome Limited; and

WorldCall Telecommunications Lanka (Private) Limited

1.2 Worldcall Telecom Limited ("the Company") is a public limited company incorporated in Pakistan on 15 March 2001 under the Companies Ordinance, 1984 and its shares are quoted on the Karachi and Lahore Stock Exchanges. The Company commenced its operations on 01 December 2004 and is engaged in providing Wireless Local Loop ("WLL") and Long Distance & International ("LDI") services in Pakistan, operation and maintenance of public payphones network and re-broadcasting international/national satellite/terrestrial wireless and cable television and radio signals as well as interactive communication and to establish, maintain and operate the licensed telephony services. The Company has been licensed by Pakistan Telecommunication Authority ("PEMRA") for these purposes.

Worldcall Telecommunications Lanka (Private) Limited (" the Subsidiary") was incorporated in Sri Lanka and is a joint venture with Hayleys Group to operate payphones. The principal activity of the Subsidiary is the operation and maintenance of a public payphones networks. Payphones are installed at various shops/ commercial outlets. The Company holds 70.65% of voting securities in the Subsidiary.

The registered office of the Company is situated at 103 C-II, Gulberg III, Lahore.

2 Accounting convention and basis of preparation

These condensed Group's interim financial statements have been presented in accordance with the requirements of the "International Accounting Standard 34 - Interim Financial Reporting" as applicable in Pakistan and are unaudited. These condensed interim financial statements do not include all of the information required for full annual financial statements, and should be read in conjunction with the financial statements of the Group for the year ended 30 June 2007. Further, these accounts are being circulated to the shareholders in accordance with the requirements of Section 245 of the Companies Ordinance, 1984.

3 Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiary. The financial statements of the subsidiary has been consolidated on a line by line basis.

Subsidiary

Subsidiary is an entity controlled by the Company. Control exists when the Company has the power, directly or indirectly, to govern the financial and operating policies of the entity so as to benefit from its activities. The financial statements of the Subsidiary are included in the consolidated financial statements from the date that control commences until the date that control ceases.

Associates

Associates are those entities in which the Group has significant influences but not control over the financial and reporting policies. The consolidated financial statements include the Group's share of

Worldcall Telecom Limited Group

the total recognized gains and losses of associates on equity accounting basis, from the date that significant influence commences until the date total significant influence ceases. When the Group's share of losses exceeds its interest in an associate, the Group's carrying amount is reduced to nil and recognition of further losses is discontinued except to the extent that the Group has incurred legal or constructive obligation or made payments on behalf of the associate.

Transactions eliminated on consolidation

Intragroup balances and any other unrealized gains and losses or income or expenses arising from intragroup transactions, are eliminated in preparing the consolidated financial statements. Unrealized gains arising from transactions with associates are eliminated to the extent of the Group's interest in the entity. Unrealized losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

Minority interest is that part of net results of operations and of net assets of subsidiary attributable to interest which are not owned by the Company. Minority interest is presented separately in the consolidated financial statements.

4. Significant accounting judements and estimates

The preparation of condensed Group's interim financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions and judgments are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended 30 June 2007.

5 Accounting policies

6.

Accounting polices adopted for preparation of these condensed interim Group's financial statements are the same as those applied in the preparation of the annual financial statements for the Company for the year ended 30 June 2007.

Contingencies

There were no significant changes in the status of contingencies as at balance sheet date from the disclosures made in the financial statements as at 30 June 2007 except for the following:

- 7.1 PTCL has charged the Company excess Domestic Private Lease Circuits (DPLC) and International Private Lease Circuits (IPLC) charges amounting to Rs. 37.23 million (2007: Rs. 20.2 million) on account of difference in rates. Further the Company has also deposited Rs. 40 million (2007 : Rs. 40 million) in Escrow account on account of dispute of charging of bandwidth charges from the date of activation of Digital Interface Units (DIU) for commercial operation and in proportion to activation of DIUs related to each DPLC link and excess charging in respect of Karachi-Rawalpindi link which was never activated.
- 7.2 Last year, the sales tax authorities served show cause notices to various payphone companies, including the Company on account of alleged wrong claim of refund of Rs. 167 million under section 66 of the Sales Tax Act 1990. Subsequent to the balance sheet date at June 30, 2007, Additional Collector (Adjudication) Sales Tax Lahore has given a decision against the Company and imposed a penalty on the Company and Chief Executive, equivalent to the amount of original alleged claim. During the period, the Company has filed appeal before Collector Sales Tax (Appeals) and Complaint has been filed in Federal Tax Ombudsman against the imposition of penalty. In addition to the above the Chief Executive has filed separate writ petition in Honorable Lahore High Court against the imposition of penalty on him. The management believes based upon the factual and legal grounds that matter will be decided in favour of the Company at a higher judicial forum.
